GLEE CLUB

Our Glee Club has done outstanding work this year under the direction of Mrs. Leland Pate of Goldsboro. They presented a Christmas variation program and an Easter Cantata. They also participated with the Seniors in their Graduation Exercises.

STUDENT COUNCIL

The purpose of the Student Government of Kenly High School is to unite in Christian work and fellowship all the student body and faculty of the high school; to promote the efficiency and widen the scope of a closer relationship between students and faculty; to afford the student body an opportunity to learn the challenge of high school as presented by our educational program; to realize the needs of the students, faculty, and school; and to work unitedly to meet these needs.

Bud Corbett, Mrs. Vandaveer, Durand Hinnant, Faye Williams, Grey Baggett, Jerry Little, Judy Shook, Janice Flowers, Carolyn Boyette, Linda Ann Bass.

BUD CORBETT
President

One of the projects of the Student Government is the Christmas Food Drive. The students of our school contributed food enough to furnish nine families in the community with a Christmas gift basket.

Agricultural boys learn correct procedure for taking soilsamples. Knowledge of soil test data is very important in determining correct fertilization of various crops.

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship.

Agricultural boys learn basic shop skills by working on individual shop projects or group projects.

Theory is taught in the classroom and put into practice on the farm. This makes agriculture vocational.

The purpose and aims of the Future Homemakers Club are to promote a growing appreciation of the joys and satisfaction of homemaking, to emphasize the importance of worthy home membership, to foster the development of creative leadership in home and community life, to provide wholesome individual and group recreation.

In clothing construction, students are taught the advantages of dressing appropriately and attractively. Color, style, design, quality, and economy of dress make up one of the busiest areas of homemaking teaching.

Faculty members are invited to meals in order that the girls may practice hospitality, and table etiquette. Many fields are covered in this area of teaching such as marketing, serving, and evaluating a meal; also wise use of the food dollar, food preservation, and efficient use of time, energy, and equipment are stressed.

In food preparation, special attention is focused on improved food habits, stressing the daily basic seven foods for better health.

Ray Pope, Eleanor Bridgers, Rose Sullivan, Margie Barnes, Nellie Silver, Jimmy Little, Edith Scott, Frances Bier, Dorothy Leggett, Janice Flowers.

The name 4-H means Head, Heart, Hand and Health. This club is designed for boys and girls to develop leadership, to develop interest in the farm and home activities, to create a love for farm life and to "Make the Best Better" in every phase of work.

The librarian has the care or charge of the library. It is her duty to help students find books and materials which will be of help in their school work. She helps to make the library have a happy and friendly atmosphere. Each period there are student librarians who work with the librarian in helping to keep the records and replacing the books.

Our librarian is Miss Evelyn Wellons, and her assistants are Rose Sullivan, Grace Hales, Zona Rhodes, Betty Lou Peele, Margaret Mazingo, Patty Pope, Jean Mitchell, Eleanor Bridgers, Edith Scott.

The National Beta Club is a non-secret, leadership service organization for high school students. The purpose of this organization is the promotion of the ideals of honesty, service, and leadership among the high school students of America, to reward meritorious achievement, and to encourage and assist students to continue their education after high school.

Patty Pope, B. H. Hinnant, Mary E. Bass, Margaret Mozingo, Jimmy Jones, Miss Wellons, Frank Woodard, Carolyn Boyette, Janice Howell, Ida Jean Hooks, Claude Giliikin, Charles Pittman, Christine Mitchell, Glenn Evans, Ray Pope, Bud Corbett.

The Beta Club held its annual spring initiation in March. The new members dressed very foolishly - some wearing shorts and shirts backwards, others dressing like silly children. After the stunt activities, the old members entertained with refreshments and everyone had a very enjoyable time.

LASTING MEMORIES

On April 11, the Seniors were entertained by the Juniors at the Annual Junior-Senior Banquet, given this year at The Ship 'n Shore in Wilson. As we entered, we were greeted with a host of spring flowers, Easter rabbits, kites, umbrellas, musical notes, birds and butterflies - - all of which carried out their theme, "Springtime." The Rev. James G. White, pastor of the Kenly Methodist Church was guest speaker.

After the meal the Juniors and Seniors were entertained by dance and musical selections presented by the students of the Wilson School of Dancing. Immediately following the program, the Seniors were extended an invitation by the Juniors to be their guests at a dance.

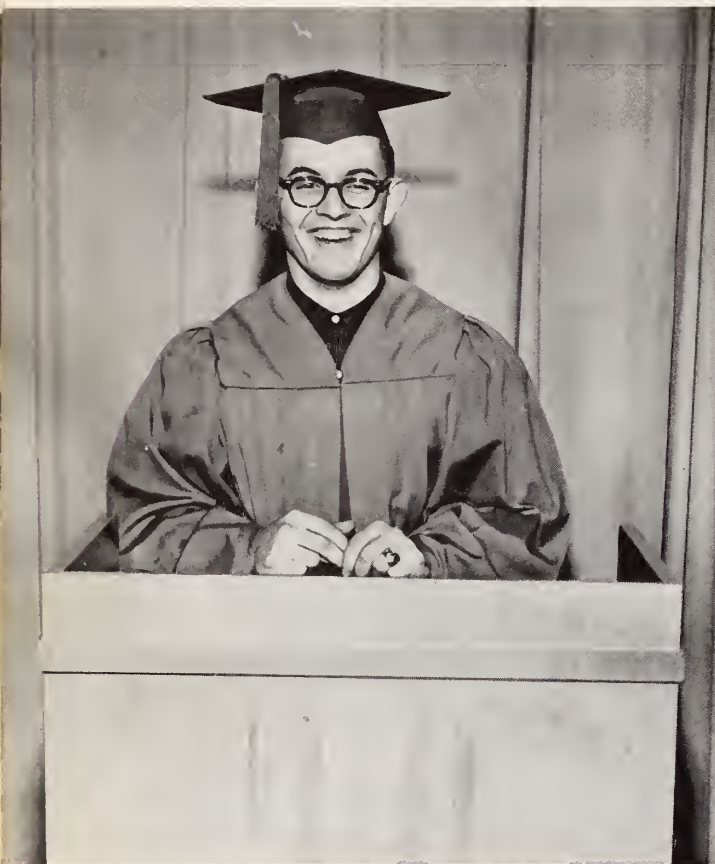

The Student Council chose Grey Baggett to represent the school as Miss Kenly Hi in the Smithfield Christmas Parade.

THE HONOR OF MARSHALING

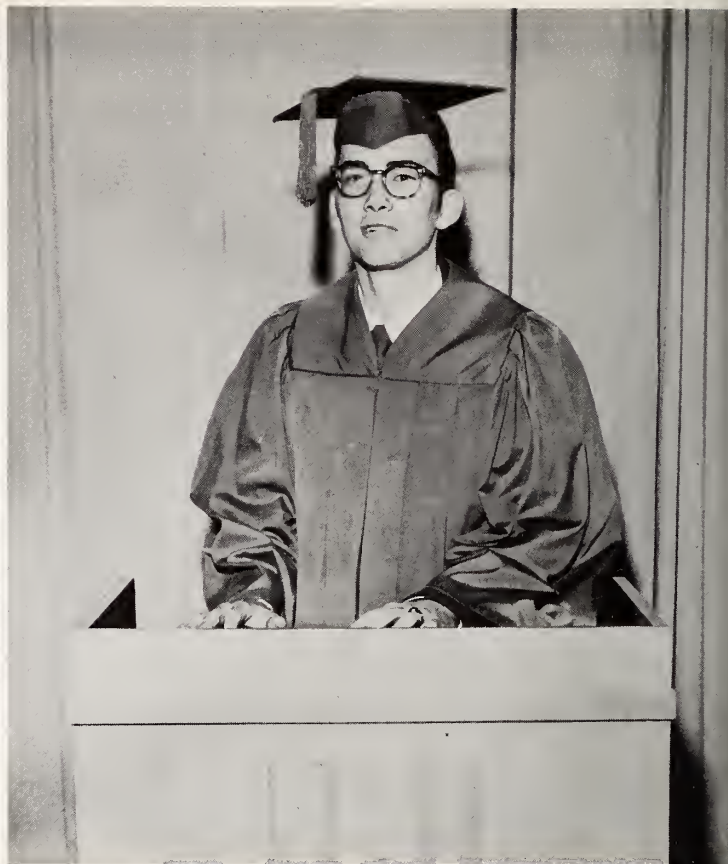

Marshals are chosen by their three-year scholastic record. This year they are Jimmy Jones, Jerry Little, Christine Mitchell, Cecil Evans, and Winstead Watson.
